K. P. PUTTANNA CHETTY, *President.*

SHIMOGA DISTRICT.

Notice dated the 29th April 1905.

It is hereby notified for the information of the public that the exclusive right of transporting passengers, goods, vehicles, animals, etc., and of collecting tolls at the ferries specified in the annexed list will be put up to auction on the dates specified therein by the Amildar or Sheristadar at each Taluk Head-quarters, subject to the confirmation by the Deputy Commissioner.

2. The auction will begin at 12 noon on the days fixed and will, if necessary, be continued on the following days.

3. The ferries will be leased out for 12 months, from the 1st July 1905 to 30th June 1906, both days inclusive.

4. The monopoly covers only so much of the river as lies within 500 yards on each side of the ferry. The Deputy Commissioner forbids the transport within these limits of passengers, etc., as aforesaid and the collection of tolls therefor, except by or on behalf of the lessee or other person authorized by the Deputy Commissioner.

5. The accepted bidder shall, immediately on the declaration of the acceptance of his bid, produce before the officer conducting the sales, one-fourth of the accepted bid, failing which, the lease will be re-sold at the first purchaser's risk.

6. The accepted bidder shall, within four days of the acceptance of the bid, execute in favour of the Deputy Commissioner an agreement on a stamp paper with two tangible sureties for the due fulfilment of the contract and deliver it to the Amildar or Sheristadar, as the case may be, and thereupon the Deputy Commissioner will authorize the executant of the said mutchhalika to enter into his contract. If the accepted bidder fails to execute and deliver the mutchhalika, the lease will be re-sold or otherwise disposed of at the defaulting bidder's risk, the deposit already made being forfeited to Government.

7. Where there are no boats or "Tokras" they shall be provided by the lessees at all the ferries. The boats kept by the lessees shall always be of the size and quality approved by the Deputy Commissioner, Executive Engineer or Amildar.

8. Wherever boats and platforms are provided by Government, they shall be returned to Government on the termination of the lease or on being demanded by the Deputy Commissioner or other officer authorized by him, in the same condition in which they were supplied to him, subject to reasonable wear and tear. Loss or damage arising from neglect or want of care shall be made good by the lessee. The lessee shall always be bound to keep the ferries or boats in good order and clean.

9. The lessee shall be entitled to collect tolls at the rates specified in the list hereto annexed and no fee or toll shall be demanded in the cases enumerated below:—

(a) Government mails, stores and remittance and all persons, animals and vehicles employed in carrying the same.

(b) All Government officials including troops travelling on duty and also in the case of Police officers, prisoners and property in their custody.

(c) All parties employed by Government servants to carry official reports when so carrying such reports.

(d) Children under 12 years of age.

(e) The Deputy Commissioner is, at any time and for any length of time, at liberty to attach the ferry boats for the conveyance of troops, camp equipage and followers, and the contractors and their servants will be bound to give all reasonable assistance to ensure their speedy and safe carriage.

10. The balance of the contract amount shall be paid by the lessee to Government in nine monthly instalments commencing from July 1905, the deposit being credited to the last three "Khists." All payments shall be made in the Treasury of the taluk in which the ferry lies.

11. At each ferry a board showing the rates and the weight to be carried should be put in a conspicuous place by the lessee at all times when the ferry is worked, excepting those places where provision is made by the Deputy Commissioner.

12. The Deputy Commissioner reserves to himself the power of accepting or rejecting any bid without assigning any reasons therefor.

13. The contractor shall have a sufficient number of boats in readiness at either side of the ferry, and shall take care that mails, travellers, passengers, animals, carriages, etc., are not unnecessarily delayed whether by day or night, but are ferried over with expedition.

14. Every passenger crossing a ferry is allowed to carry with him his luggage not exceeding in weight an Indian maund without any additional fee for the same. Any quantity in excess of the above will be liable to an additional fee of one anna for each Indian maund or less.

15. Should the contractor be found to have acted contrary to any of the above rates, he shall, for every breach of such rules, be liable to a fine not exceeding Rs. 50 or his contract will be liable to be cancelled as the Deputy Commissioner may deem fit.
